

Golden Key Music Festival

General procedure and requirements for the Virtual Recital

In addition to the live concerts at Carnegie Hall and Lincoln Center we invite our winners to participate in the Golden Key Festival virtual recitals hosted by YouTube in June. The winner of any level may apply for live or virtual or for both – live and virtual- recitals.

The virtual recitals' special design will be made by the professional video and multimedia producers. The program and exact date/time of the virtual recitals will be announced on our website page <https://goldenkeyfestival.com/usa/#Recitals> not later than May 15. The personal notification will also be sent to you by email. The recitals will be available on YouTube for 30 days after the uploading.

For the virtual recital, you are welcome to submit updated video recording of your performance, if you wish. Video recommended resolution and aspect ratio: **16:9 and HD 1920 x 1080**. If you decided to send updated video, please, use the following Services:

- <https://www.youtube.com/>
- <https://wetransfer.com/>
- <https://www.google.com/drive/>

And for our participants from China:

- AWS
- <https://www.getfilecloud.com/>

Please, send the video to gk.musicfest@gmail.com before **April 15**.
